Virtual assistants (Overseas Employees)

If the job can be done remotely on a computer and phone, you are in luck. Virtual assistants can provide you the highest quality of work at a fraction of the cost and without the hassles of government mandates or benefits such as unemployment and health insurance. Below is a sample the kinds of jobs you can outsource.

- Data entry (\$3 to \$5 /hour)
- Customer service (\$3 to \$5 /hour)
- Remote management (IT Services) (\$6 to \$8 /hour)
- Programming (\$10+ /hour)
- Tele-marketing (\$10+ /hour)
